

WELCOME TO HEALTH CENTERS OF UWS!

Health Centers of UWS is a teaching clinic that provides quality integrated care to the community. Chiropractic and massage students complete their studies here as interns, treating patients under the direct supervision of licensed chiropractors and massage therapists.

Due to the volume of patients being treated in this facility, we ask that you arrive for your appointment at your scheduled time. If you are more than 10 minutes late, then you may be asked to reschedule your appointment so there will be adequate time to treat you.

Since the clinic is part of an academic training program, there may be student observers present during your treatment. Please let your intern know if this would be unacceptable to you.

Parents or guardians are requested to accompany minors for their first visit. If they are unavailable to be present for follow up visits, a second intern will be present during the treatment.

SURVEY ABOUT REFERRAL

We're glad you're here! Please take a minute to tell us how you found out about our clinic.

Name _____ Date _____

I heard about the clinic through:

- A Current Patient Print name _____
- A UWS Student or Employee Print name _____
